

CITY WORSHIP PROJECT 🔥 TERMS AND BENEFITS

We want to resource the church with new, original music. Here's how it works:

THE FUN STUFF:

- We're looking for songwriters like you to enter your songs for the City Worship Project.
- All entries will go through a screening process done by the City Worship Board. This board is made up of professionals from across the nation. Songs will be evaluated on composition, originality, melody, and lyrics.
- Ascension Music Publishing will choose one entry to release each month as part of the City Worship Project. When an entrant's song is selected, Ascension Music Publishing will choose musicians to produce the song in the studio. While there is potential for an entrant to be included on the recording of the song, this will vary based on various criteria.
- Each month, the produced song will be released as a media bundle. This bundle will then be distributed worldwide to Ascension Network Members (free of charge).
- Even if your song is not chosen to be part of the City Worship Project, there is a possibility that Ascension Music Publishing may want to include your song(s) in its growing catalog of worship music currently being used as a set list resource within the Ascension Network and beyond.

THE NECESSARY LEGAL STUFF:

- The City Worship Project is open to amateur and professional songwriters. If the songwriter is not over the age of 18, we will need a release signed by a parent or guardian for the songwriter to participate.
- Any song submitted must be submitted by the songwriter(s) and must be free and unencumbered by any third-party rights (publisher, inclusion of other copyrighted material, etc.). Simply put – you wrote it, you own it, and no one else has any rights to it or control of it.
- If the entered song is a co-write, all terms and requirements apply to all writers of the song and the entry must be submitted by all writers.
- If you enter a song, you alone are responsible to make sure that song is complete and playable as entered.
- If your song is chosen, that song will be included in a publishing agreement between you and Ascension Music Publishing. This will be a standard publishing agreement covering this song only. The song becomes part of the Ascension Music Publishing catalog.
- If your song is not chosen, you have no obligation to Ascension Music Publishing, nor is there is any obligation from Ascension Music Publishing to you.
- If your song is not chosen, Ascension Music Publishing will delete from its data base any files containing your song. It will not be retained in any form or file.
- By submitting an entry, the entrant realizes the entered song may be distributed to a City Worship board of judges who will select winners. The entrant agrees to hold Ascension Music Publishing, any sponsors, judges, or any other person related to City Worship Project harmless for damages, liability, or claims for injury or loss to any person or property in whole or in part, directly or indirectly relating to the entrant's participation in City Worship Project. (How's that for necessary legal stuff???????)

By entering the City Worship Project, the entrant accepts and agrees to all the terms listed in the official rules and regulations (fun stuff and necessary legal stuff) established in this form.
